FALL WORKSHOP

SEPTEMBER 15-17, 2023

(Fri-Sat 8-5, Sun 8-2:30)

Cameron Allredge, PhD

Cameron is a licensed psychologist and the postdoctoral fellow in the Mind-Body Medicine Research Laboratory working and training under Dr. Gary Elkins. Cameron earned his PhD in clinical psychology and is a member of ASCH, SCEH, and APA Division 30. He is heavily involved in clinical hypnosis research and training.

Friday Part I (8:00-12:00): Measuring Hypnotizability: Why It's Helpful & How to Do It – This workshop will review some recent research on differential effects based on level of hypnotizability.

Part II: Mystical and Metaphysical Realms of Hypnosis (1:00-5:00) – This workshop will highlight recent research examining hypnosis as a method of inducing a mystical/ psychedelic experience.

Kurt Boyland, LMFT

Kurt is a licensed Marriage and Family Therapist and Professional Counseling. He is the owner of Cedar Creek Counseling in Abilene, TX.

Saturday Morning (8:00-12:00):
"Utilizing hypnosis and mind-body healing of Ernest Rossi"
