David Vu DDS

Two local member clinicians who are skilled poets, share their words and inspirations.

Moderated by: Roxanna Erickson

Mary Ellen Bluntzer MD

OBJECTIVES

1. To listen to the reading of poetry read by authors
2. To reflect upon one's "felt sense" and compare/ contrast that sense with the trance induction experience
3. To identify similarities in word choice, imagery and cadence between the poetry and trance scripts
4. To question the creative process of generating images, ideas and transcribing them into verbal expression
5. To self reflect on how poetic elements can be of use in a therapeutic context
