Entrancement by Poetry

Wed May 21, 2025 6:30PM – 8PM 1.5 CEUs

Guest Poet Speakers: David Vu DDS and Mary Ellen Bluntzer MD

OBJECTIVES

1. To listen to the reading of poetry read by authors

2. To reflect upon one's "felt sense" and compare/ contrast that sense with the trance induction experience

3. To identify similarities in word choice, imagery and cadence between the poetry and trance scripts

4. To question the creative process of generating images, ideas and transcribing them into verbal expression

5. To self-reflect on how poetic elements can be of use in a therapeutic context
